

Today's challenges, Tomorrow's opportunities

ABVI-Genares Bundle Special

Remco Software is proud to be the first PMS vendor to provide the **NEW Genares OTA\XML Two-Way Interface**. For many, this alone may be an attractive feature, however, due to the current economic climate we want to provide a package that is attractive to ALL ABVI members. For a limited time we are offering the ABVI-Genares Bundle. We understand the unique needs of your property and believe you deserve the solution you want, at the price you want. Your solution has arrived—introducing our **"ABVI/Genares Bundle"**:

**Starting at
\$5,200***

- NiteVision 2008™ Property Management System
 - Genares Two-Way Interface
 - Payment Card Processing 2.0 Interface**
 - Credit Card Swipe Reader
 - Live Remote Training (8 hours)

AND

- 1 Year Support Plan (renewable annually)

Interested in considering additional hardware or interfaces?

- Computer workstations, Driver's License Scanners, Signature Capture Pads, etc.
- Call Accounting interface, Electronic Door Lock interface, PBX interface, etc.

Receive a **10% discount** on purchase of any of these additional items.

* Based on property room count.

* Does not include applicable sales tax.

**PCP 2.0 interface supports both credit/debit card functionality.
